### Additional Information

- There may be a 10% discount available on the package price to charity and non profit making organisations, please call the office for more information
- Staff will need access to hand and fruit washing facilities and facilities for disposing of water from rinsed blenders on the day
- Staff will need access to toilet facilities on the day
- An area of 3 metres x 3 metres is adequate space for the bike and equipment
- As the bike is pedal powered we do not need access to a power point
- The bike can only be hired with at least one member of our trained staff
- Pictures can be taken of the session for you own purposes but not for commercial purposes
- It is up to the hirer if they want to charge a fee for the smoothies and this would not impact on the cost of the hire
- There is a certain amount of noise when the bike is in use, please consider this when situating the bike
- Children under 5 may struggle to reach the Smoothie Bike pedals
